Texas law requires a person insured under a property insurance policy to pay any deductible applicable to a claim made under the policy. It is a violation of Texas law for a seller of goods or services who reasonably expects to be paid wholly or partly from the proceeds of a property insurance claim to knowingly allow the insured person to fail to pay, or assist the insured person's failure to pay, the applicable insurance deductible.

- K. Mayor/Presiding Officer may ask for any final General comments from the public after all the Agenda items are voted on at the end of the Session under General comments section.

Vote of Council

Unless otherwise provided by law, a majority of the Town Council is required for approval of an issue. The Town Council is made up of five (5) council members, making a majority three (3) votes. The Mayor is not given a vote, except in case of a tie.

Appearance before Town Council

Agenda item "Citizen Comments" provides the opportunity for any member of the public to speak or ask questions on any topic that is on the agenda. During the "General Public Comments" agenda item Citizens may also make comments on any items not on the posted meeting agenda, but Town Council members will be unable to deliberate, but may provide factual responses. There will be an opportunity to speak on public hearing items as those items are announced.

There are several ways for citizens to be heard by the Town Council during regular Council meetings. Citizens may submit written comments to the Town Secretary prior to the meeting. Copies will be made and distributed to Council Members for review before the meeting. Citizens may sign a sheet available in the Council Chambers which will be available as early as thirty (30) minutes prior to the meeting and may be heard on citizen comment period and any scheduled public hearing items. Citizens wishing to be heard during citizen comment and public hearings should sign the appropriate sign-up sheet prior to the commencement of the meeting. The Mayor/Presiding Officer may ask for any final comments from the audience. After final comments are made, individuals who did not sign up, but spoke, will be asked to sign the sign-up sheet for the record.

No person may speak without being recognized by the Mayor/Presiding Officer. Any citizen desiring to address the Town Council should come to the podium or designated location to address the Council and be recognized by the Mayor/Presiding Officer.

After being recognized by the Mayor/Presiding Officer, the person shall approach the podium and state his/her name and should give his/her address for the record before making their remarks. Audience members shall address their comments to the Mayor/Presiding Officer, avoid personalizing, or directing comments to any one or more individuals, and avoid lengthy commentary. State law prohibits the Town Council from taking any action on any item unless it appears on the posted meeting agenda. Inquiries from speakers about matters not listed on the agenda will either be directed to the Secretary or placed on a future agenda for Council to consider.

In order to conduct a timely meeting, each individual's comments may be limited to three (3) minutes unless the Mayor/Presiding Officer grants an extension of time. No person may be allowed to yield their time to another person.

Members of the audience may not engage in disorderly conduct, including the utterance of loud, threatening, or abusive language, clapping, whistling, and stamping of feet or other acts, which disturb, disrupt, impede, or otherwise render the orderly conduct of the Town Council meeting impractical. A member of the audience engaging in any such conduct may, at the discretion of the Mayor/Presiding Officer or a majority of the Town Council, be subject to ejection from that meeting.

The Mayor/Presiding Officer shall have the discretion to take any measures necessary to maintain control of a public meeting in order to ensure the fair and impartial conduct of business and the timely completion of that business. The Mayor/Presiding Officer may, at his/her discretion, shorten the time for speaking.

No disruptive audible electronic device use is allowed in the Council Chambers.

Appointment of Board/Committee Members

The Council shall have the discretion to appoint various members of the public to any boards and/or committees.

Ordinances

An ordinance is the most authoritative form of action the Council can take. An adopted Ordinance becomes an established rule of law of the Town and remains in effect until otherwise rescinded or amended by the Council.

All proposed ordinances must be either drafted or approved by the Town Attorney.

Resolutions

Resolutions are acts of a relatively permanent nature and remain in effect until rescinded or amended by the Town Council. Generally, resolutions implement or carry out the terms of an Ordinance, provide a statement of policy, or express Council's opinion on a public matter. Resolutions shall be in written form but need not be published.

Motions

A motion refers to a formal proposal by a Council member that the Town Council may take action upon. Motions are generally introduced by voice.

COUNCIL MEMBER CONDUCT STANDARDS

Each elected official of the Town of Poetry, Texas is bound to observe in his/her official acts the highest standards of morality and to discharge faithfully the duties of the office regardless of personal considerations, recognizing that the public interest must be their primary concern. Council members should be independent, impartial and responsible to the citizens, and such public office shall not be used for personal gain. The conduct of each member in both their official and private affairs should be above reproach. Council members must represent unconflicted loyalty to the interest of the citizens of the entire Town. This accountability supersedes any conflicting loyalty, advocacy or special interest group, or any individual, or membership of (or affiliation with) any company or other private or public organization.

Duty to Perform/Conflict of Interest

It is considered that by seeking and accepting public office, each Council member is bound to perform the inherent duties of his/her office, one of the foremost of which is to vote on every issue that is brought before the Council for a vote. An exception to the duty to vote would be in the case of a conflict of interest. In such case, the abstaining Council member shall have the right to explain for the record the nature of the conflict of interest. Abstentions from voting without declaring a conflict of interest are unacceptable. Each Council member shall maintain a current statement regarding actual and potential conflicts of interests, as required by law, with the Town Secretary. Council members shall disclose orally prior to the discussion and action of any agenda item any actual conflicts of interest that exist with that item. Council member shall not participate in the discussion or vote on any agenda item in which the Council member has any conflict of interest. These provisions should be followed unless state law dictates otherwise.

Violations of this Policy

Whenever the Mayor or another member of the Council perceives that this policy is being violated, a point of order may be called. The Mayor shall rule on whether a violation has occurred and shall take whatever steps that he/she deems appropriate to remedy any such violation.

Standards of Community Service

Each Mayor and Council member shall be an example of community service. In a town where property taxes are non-existent, volunteerism is essential. Therefore, the council should lead by example. Over each fiscal year, each member of council should accumulate a minimum of 15 hours in service to the town *outside* of the duties on council i.e., time preparing or in town council meetings and ensure that the community service hours are written in the Volunteer Log Book. These service hours might be helping with the Clean-up days, repairing items at Town Hall, preparing for a Town special event, or the like.

Section 2. Effective Date. This Resolution shall be effective immediately upon its passage and approval. PASSED AND ADOPTED this 21st day of September 2021.

If at such hearing the Council finds that the damage was caused by Collector and such damage was beyond normal wear and tear, the Town Council may request Collector to cause such damage to be repaired under the supervision of the Town designee and if such damage is not repaired within the time stated the Town Council may within its sole discretion terminate Collector's franchise and right to use the public streets within the Town to carry on its business.
